

Acceptance of Late Examination Applications – Second Semester 2025

The Sri Lanka Institute of Advanced Technological Education (SLIATE) hereby informs all students that, **late examination applications for the Second Semester 2025** will be accepted from students who were unable to submit their applications within the prescribed period.

**Date for Submission of Late Applications:
07 July 2026 (Tuesday) only**

Please note that:

- Late applications will be accepted **only on 07 July 2026**.
- A **prescribed late payment (penalty fee)** must be paid in addition to the normal examination fee.
- Applications submitted after **07 July 2026** will **not** be accepted under any circumstances.

Students are advised to complete the application process within the above-mentioned date to avoid any inconvenience.
